NOTE: A student may not be admitted for the following reasons: referred, withdrew application before admittance, missing requirements, wait list, and not referable. Admits do include those applicants who withdrew their application after admittance.

*New students include entering freshmen, entering sophomores, transfer students, and new graduate students (GD, GN, or GT). The difference between the # of new students and the # of enrollees is the fact that new students excludes preparatory, special admit, readmit, and graduate readmit students and includes continuing entering freshmen from the summer.
